

Stratford FFA Rodeo Trip

What: World's Toughest Rodeo at Saint Paul's Excel Energy Center and Mall of America

Our chapter would like to take a trip to the World's Toughest Rodeo and concert for FFA Members. We will be going to the Mall of America for supper before the rodeo and doing educational tours.

We will be traveling/touring with the Mosinee FFA Chapter for better tour & event discounts and to have additional chaperones.

When: Saturday, January 26, 2019

Depart approximately 6 am and return approximately 2:30 am

Cost:

Depending on the number of members attending, the cost will be approximately \$85 per member.

Student cost may be discounted based on active participation for points list.

(Tickets purchased through Excel Energy Center Group Sales Coordinator – Karen Reisinger)

*** Students may also use their fruit sale SAE scholarship to cover trip costs.

Why:

Our chapter puts in over hundreds of hours of community service each year and we would like to reward our active members with an opportunity to attend an event which several other local chapters attend (ie. Marshfield, Spencer, Mosinee, Wausau). (Some examples of community service activities that our members do: adopt-a-hwy clean-up, Safety Day, Food For America, Easter Egg Hunt, Ag Adventures Tent volunteers, Blood Drives, Bell Ringing, State FFA Day of Service, Stratford Village Tree Committee/Environmental Awareness Day).
