

SCHOOL DISTRICT OF STRATFORD

SUMMER SCHOOL 2019

SIGN UP INFORMATION

As part of its mission to "offer a wide range of educational programming to all of the Stratford students" the Stratford School Board is offering to your child the opportunity for summer school. This is definitely a great opportunity for your child.

Dates and Times

June 10th – June 28th 5 Days a Week

Classes run in four sessions:

- Block A: 8:00-9:04 a.m.**
- Block B: 9:07-10:11 a.m.**
- Block C: 10:14-11:18 a.m.**
- Block D: 11:21-12:25 a.m.**

No Bussing - No Tuition Costs (There may be some costs for special projects that students would make and then use at home.)

Sign Up Procedure and information:

1. Sit down with your child and go over the choices available at his/her grade level. **All grade levels are set at the grade your child is currently in.**
2. Fill out the class sign up form below. Your child does not have to take four classes. They can take one, two, three or four if they so choose.
3. Have your child return the form to his/her homeroom teacher. **All classes are assigned on a first come first serve basis. Some classes may not run if there are not enough registrants. You will receive a confirmation list of your child's classes. If a class is cancelled your child will have an opportunity to sign-up for another selection.**
4. Registration deadline is **Friday, May 3rd.**
5. Verification of class assignment will be sent home with the student the week of **May 20th.**
6. **Please indicate below what your child's end of the day routine is for pickup. If there is a change you as the parent(s) are responsible for having it in writing and giving it to your child's block 4 teacher.**
7. **Pick-up and drop-off will be on the southside of the school (Main Street) Incement weather students can be picked up by the elementary cafeteria on 3rd street.**
8. **Registration sheets can be handed into either the High school office or Elementary Office. Questions please contact Brad Grube Summer School Principal 715-687-4311 ext 2103**

**SCHOOL DISTRICT OF STRATFORD
2019 SUMMER SCHOOL OFFERINGS**

BLOCK A 8:00 – 9:04 a.m.

Jump Rope

Grades Eligible: K-5

Do you love to Jump Rope? Test your skills in this exciting class and learn about different types and ways to jump rope. Also, learn about the history and culture that goes with this energetic way of exercising.

Jewelry Making

Grades Eligible: K-3

We will be exploring all kinds of new ways to make jewelry. We will be using thread for tying jewelry and beads for stringing jewelry. We will have supplies available in class. Students are also welcome to bring some of their own supplies. Come and join in the Jewelry Making fun!

Leisure Library Time

Grades Eligible: K-11

In this class students will have the option of enjoying the favorite books, surfing the internet, playing board games, watching movies or creating a fun project!

Volleyball

Grades Eligible: K-3

Students will be introduced to some of the basics of volleyball. Correct form for passing, setting, and serving will be instructed, along with a variety of way to work on their volleyball skills. It will be a fun-filled time where students can be exposed to volleyball, and taught the correct skills to play the game.

Remedial Reading

Grades Eligible: 1-2

This course is designed for those who need to increase their recognition of words, phonics, blending, and reading comprehension skills. Initially the individual's skills will be evaluated and the needs of the students will be addressed. Strategies for increasing comprehension skills will be emphasized through an individual learning style.

Remedial/Enrichment Math

Grades Eligible: 1-2

This remedial/enrichment class is offered for students who need help with their math skills. An emphasis will be to review the 1st and 2nd grade curriculum, but other math will be presented according to the student's needs.

Creative Cupcakes

Grades Eligible: 1-4

Creative Cupcakes is a class to learn how to bake and decorate cupcakes. We will make different types of cupcakes with a different flavor/design each week. You will be taught different techniques for frosting/decoating. There will also be a little math involved for measuring out ingredients. Plus a little taste testing!

Kid Chemistry

Grades Eligible: 1-6

Make oozy gooey concoctions that will amaze you friends and clean out your mom's kitchen! Students will learn the scientific procedures on how to make slime, flubber, gunk, goop, and fruity putty ...

(PSST...Students will have access to top-secret recipes and will be sworn to secrecy to be shared by ONLY those who sign up for the class.

Outdoor Fitness & Discovery

Grades Eligible: 1-4

Students will do some "hands on" learning with nature. Nature walks, exercises, and games will promote physical fitness. Students will also be lead in scavenger hunts and investigations of outdoor components such as leaves, soil, trees, and the effects of weather. Activities and projects will be completed based on the outdoor learning fun. Leaf pressing is just one of the exciting projects planned.

Flag Football**Grades Eligible: 1-4**

Flag football is back. Sharpen those skills and enjoy football during the summer. Students will learn throwing, catching and other skills related to the game football.

Summer Crafts**Grades Eligible: 2-5**

With a towel we can make a cool beach and pool cover-up. We'll also enjoy making rustic looking charm bags to carry good-luck trinkets that are inspired by Native Americans! Would you like to make a time capsule like the astronauts do? This will be a class full of variety for every girl and boy who loves summer.

Phy. Ed. & Games**Grades Eligible: 5-6**

Students who enjoy physical activity and competitive games will enjoy this class. Students will work on physical fitness as well as playing advanced competitive games.

Sewing**Grades Eligible: 1-3**

If you are an imaginative and crafty individual, then this is the class for you. Sewing will test your creativity in making clothing and other craft type projects. It looks fantastic and doesn't require artistic ability! You will receive step-by-step instructions and you will have several new gorgeous art pieces ready to hang.

BLOCK B 9:07 – 10:11**Book Cooks 1****Grades Eligible: K-3**

Stir up a batch of eager readers with "Book Cooks" literature-based classroom cooking activities. All recipes are inspired by favorite children's books and will motivate young readers in enjoying hands on cooking experiences. Students will practice math and reading skills, learn science concepts, work cooperatively, develop good work habits, build self-confidence, and bring recipes home to share with family and friends.

Leisure Library Time**Grades Eligible: K-11**

In this class students will have the option of enjoying the favorite books, surfing the internet, playing board games, watching movies or creating a fun project!

Phy. Ed. & Games**Grades Eligible: K-2**

Students who enjoy physical activity and competitive games will enjoy this class. Students will work on physical fitness as well as playing competitive games.

LEGO Camp**Grades Eligible K-4**

For Lego enthusiasts – join this class to engage in physics and architecture meant to engage deep thinking, problem solving, and collaboration skills. Students will be challenged to build and design several ideas throughout this course.

Jump Rope**Grades Eligible: K-5**

Do you love to Jump Rope? Test your skills in this exciting class and learn about different types and ways to jump rope. Also, learn about the history and culture that goes with this energetic way of exercising.

Basketball Skills**Grades Eligible: 1-3**

Students will be taught the advanced skills needed to compete in basketball. Shooting, rebounding, passing, and defensive skills will be emphasized as well as learning plays. A good workout should be expected. Both boys and girls are welcome to sign-up.

Outdoor Fitness & Discovery**Grades Eligible: 1-3**

Students will do some "hands on" learning with nature. Nature walks, exercises, and games will promote physical fitness. Students will also be lead in scavenger hunts and investigations of outdoor components such as leaves, soil, trees, and the effects of weather. Activities and projects will be completed based on the outdoor learning fun. Leaf pressing is just one of the exciting projects planned.

Remedial Reading**Grades Eligible: 3-4**

This course is designed for those who need to increase their recognition of words and reading comprehension skills. Initially the individual's skills will be evaluated and the needs of the students will be addressed. Strategies for increasing comprehension skills will be emphasized through an individual learning style.

Science Olympics**Grades Eligible: 4-6**

This class will provide students a chance to become competitive in science related challenges. Science Olympics is a series of events related to a wide range of science topics. This class will test your creativity and science knowledge.

Volleyball**Grades Eligible: 4-8**

Students will learn the basic skills of bumping, setting, and spiking while also learning volleyball strategy and rules. Boys and girls who take this class should expect a good workout. This is a great opportunity to improve your skills or to get a jump on next year's season.

Yoga**Grades Eligible: 4-8**

Students will be learning Yoga poses that will strengthen your body, increase flexibility, and improve coordination. We will also be learning different combination of poses. By using different breathing techniques and poses we will discover how to relax when homework and life get stressful! Yoga can be a lifelong activity! Come and join us in Yoga, where the stress will end and the fun will begin!

Remedial / Enrichment Math**Grades Eligible: 5-8**

This is your chance to keep the skills learned during the school year and enjoy some new and creative ways to experience math at the same time. Approximately half of the class time will be practice and drill and the remaining time will be introducing fun ways use and apply math strategies.

BLOCK C 10:14 - 11:18**Leisure Library Time****Grades Eligible: K-11**

In this class students will have the option of enjoying the favorite books, surfing the internet, playing board games, watching movies or creating a fun project!

Yoga**Grades Eligible: K-3**

Students will learn Yoga poses by imagining we are different kinds of creatures from nature such as a snake, dog, cat, and a tree. We will then put these poses together to make a king of story using our bodies as the storytellers. Come, relax and have fun in Yoga.

Basketball Skills**Grades Eligible: K-2**

Students will be taught the advanced skills needed to compete in basketball. Shooting, rebounding, passing, and defensive skills will be emphasized as well as learning plays. A good workout should be expected. Both boys and girls are welcome to sign-up.

K'nex Creations**Grades Eligible 1-5**

Learn the basics of building with K'nex. Start with simple independent projects and move into more complex projects such as a windmill, truck, and Ferris wheel. The course will end with the entire class working together to construct a project that incorporates moving parts, a small motor and tons of fun!

Baseball Skills**Grades Eligible: 2-3**

Students will be taught fielding and hitting skills of hardball. Each student will learn the skills of all nine positions. There will be scrimmage games several times a week. This will be an excellent controlled learning environment for your son/daughter to improve their baseball skills in. Students should bring only a glove to class!

Sewing**Grades Eligible: 2-6**

If you are an imaginative and crafty individual, then this is the class for you. Sewing will test your creativity in making clothing and other craft type projects. It looks fantastic and doesn't require artistic ability! You will receive step-by-step instructions and you will have several new gorgeous art pieces ready to hang.

Summer reading**Grades Eligible: 2-6**

Summer reading gives students a change to dive into a book of their choice. Enjoy time reading adventures and stories that trigger your interests. Enjoys time reading along with sharpening your comprehension skills that will make reading easier for you next school year.

Kid Chemistry**Grades Eligible: 1-6**

Make oozy gooey concoctions that will amaze your friends and clean out your mom's kitchen! Students will learn the scientific procedures on how to make slime, flubber, gunk, goop, and fruity putty ...

(PSST...Students will have access to top-secret recipes and will be sworn to secrecy to be shared by ONLY those who sign up for the class.

Remedial / Enrichment Math**Grades Eligible: 3-4**

This is your chance to keep the skills learned during the school year and enjoy some new and creative ways to experience math at the same time. Approximately half of the class time will be practice and drill and the remaining time will be introducing fun ways use and apply math strategies.

Bucket Drumming**Grades Eligible: 3-8**

Everyone loves to drum! Play on a bucket and learn the basics of drumming. We will learn basic stick techniques and how to play some cool grooves. Come learn how to play with these simple tools.

Remedial Reading**Grades Eligible: 5-6**

This course is designed for those who need to increase their recognition of words and reading comprehension skills. Initially the individual's skills will be evaluated and the needs of the students will be addressed. Strategies for increasing comprehension skills will be emphasized through an individual learning style.

Flag Football**Grades Eligible: 5-7**

Flag football is back. Sharpen those skills and enjoy football during the summer. Students will learn throwing, catching and other skills related to the game football.

Tennis**Grades Eligible: 5-8**

Students will learn the game of tennis. From scoring to technique students will understand the game and how it is to be played. Each student will be given the equipment needed and sharpen their tennis skills.

Creative Cupcakes**Grades Eligible: 5-8**

Creative Cupcakes is a class to learn how to bake and decorate cupcakes. We will make different types of cupcakes with a different flavor/design each week. You will be taught different techniques for frosting/decoating. There will also be a little math involved for measuring out ingredients. Plus a little taste testing!

BLOCK D 11:21 - 12:25 a.m.

Baseball Skills

Grades Eligible: K-1

Students will be taught fielding and hitting skills of hardball. Each student will learn the skills of all nine positions. There will be scrimmage games several times a week. This will be an excellent controlled learning environment for your son/daughter to improve their baseball skills in. Students should bring only a glove to class!

First Grade Readiness

Grades Eligible: K

This class will provide a review of letters, sounds, numbers and words learned in kindergarten. This class is ideal for the student who needs more practice to be ready to start first grade in the fall.

Leisure Library Time

Grades Eligible: K-11

In this class students will have the option of enjoying the favorite books, surfing the internet, playing board games, watching movies or creating a fun project!

Book Making

Grades Eligible: 1-4

Book making is an expressive art activity that allows kids to be creative and share their memories through stories. Anyone can do it, and this course will give even the youngest students ideas on how to get started. Skills such as cropping pictures, making layouts, organization, and writing captions will be highlighted. Students will create several books. Stickers, paper, binders, and other supplies will be included, however, students will be required to bring their own photos for this course.

Remedial / Enrichment Math

Grades Eligible: 1-2

This is your chance to keep the skills learned during the school year and enjoy some new and creative ways to experience math at the same time. Approximately half of the class time will be practice and drill and the remaining time will be introducing fun ways use and apply math strategies.

Book Cooks 2

Grades Eligible: 2-4

Stir up a batch of eager readers with "Book Cooks" literature-based classroom cooking activities. All recipes are inspired by favorite children's books and will motivate young readers in enjoying hands on cooking experiences. Students will practice math and reading skills, learn science concepts, work cooperatively, develop good work habits, build self-confidence, and bring recipes home to share with family and friends. This class offers all new recipes. Students would benefit from taking Book Cooks 1 first.

Natural Resources & Ecology

Grades Eligible: 2-6

Students will study ecology through exploratory hikes while also learning about birds, trees and forests and what makes them special. Students will focus on animal movements by investigating tracks and other signs and by mimicking animal movements and sounds. We will do some map and compass skills, bird identification, and other activities that cannot be done in a classroom.

Phy. Ed. & Games

Grades Eligible: 3-6

Students who enjoy physical activity and competitive games will enjoy this class. Students will work on physical fitness as well as playing advanced competitive games.

Basketball Skills

Grades Eligible: 3-6

Students will be taught the advanced skills needed to compete in basketball. Shooting, rebounding, passing, and defensive skills will be emphasized as well as learning plays. A good workout should be expected. Both boys and girls are welcome to sign-up.

LEGO Camp**Grades Eligible 4-7**

For Lego enthusiasts – join this class to engage in physics and architecture meant to engage deep thinking, problem solving, and collaboration skills. Students will be challenged to build and design several ideas throughout this course.

Bead Pets and Characters**Grades Eligible: 4-8**

In this class we will create a variety of animals such as a cat, dog, penguin, gecko, horse, cow, and even a unicorn using colorful beads. There will be the opportunity to create a number of Disney characters such as Olaf, Anna, Elsa, Sven, and Kristoff. If you can think of an animal or character, we can probably create it! Come join the fun as we create pets and characters of our own!

Remedial Reading**Grades Eligible: 7-8**

This course is designed for those who need to increase their recognition of words and reading comprehension skills. Initially the individual's skills will be evaluated and the needs of the students will be addressed. Strategies for increasing comprehension skills will be emphasized through an individual learning style.

Musical Props**Grades Eligible: 7-11**

Have you ever wondered how a play can give you a glimpse into another world? In this class students will be building and creating the set props and designs for this year's fall musical.

SPECIAL SECTIONALS AND TIMES

Intro to PreK

Grades Eligible: Students going into PK

Students who are going into Pre-Kindergarten can sign up for introduction to PreK for a one week class. Please indicated on your registration which week would be your first (June 10-14) , second (June 17-21) , and third choices (24-28). This class would help our incoming PreK students get prepared for the next school year.

Kindergarten Prep

Grades Eligible: PK

8:00 AM - 11:55 AM

Students who are in Pre-Kindergarten or will be starting school with Kindergarten next year are encouraged to take Kindergarten Prep to help them prepare for next year. Each day in class the children will be read a favorite children's story, which will include a cooking, art and other theme based activities. A brief break/recess will be included in this 4-hour class. **Sign up for all four sessions on your sign-up sheet.**

Swimming Classes

Grades Eligible: K-11

July 8th through July 19th

Child must be 6 by the start of class

Swimming instruction is available from the Marathon Swim Center. The cost is \$63 for nonmembers, and no cost for members. Transportation is available from the elementary school. Space is limited to the first 40 students. Classes run Monday through Friday. The bus will leave at 1:00 and will return at 3:00. There is an additional \$15 charge for the bus.

Strength and Conditioning

Grades Eligible: 6-11

Monday – Thursday: 7:30AM – 10:00 or 10:00 – 12:30 (2.5 hours)

June 11th – July 12th (4 weeks – 20 days) (No class the week of July 4th)

Students may sign up for session 1 or 2. If you are taking Drivers Education, sign up for session 1. This class is much more than just an open weight room. Students will spend the first 15 minutes in the classroom watching videos and learning the proper way to lift weights and run. We will also discuss nutrition. You will learn how to stay fit and/or become bigger, faster and stronger! The next 15 minutes students will warm-up, which will consist of a jog, speed lines and dynamic stretching. The next 2 hours will be spent lifting and running. We will lift and do agility on Monday, Tuesday, and Thursday. Every Wednesday will consist of running on the track and playing games! **This is a great summer school class for both males and females! Your effort in the off-season will greatly increase your success during the season.**

Girls Basketball Skills/ Strength and Conditioning

Grades Eligible: 9-12

Girls that want to sharpen their basketball skills and get strength and conditioning should sign-up for this class. This class period will run in Blocks A (basketball skills)and B (Strength and Conditioning)

Boys Basketball Skills/ Strength and Conditioning

Grades Eligible: 9-12

Boys that want to sharpen their basketball skills and get strength and conditioning should sign-up for this class. This class period will run in Blocks C (basketball skills)and D (Strength and Conditioning)

Supervised Agricultural Experience Program (S.A.E.)

Grades Eligible: 7-11

Hours Vary – Days, Evenings, Weekends - throughout summer months.

A Supervised Agricultural Experience enables students to learn key objectives in the areas of personal goal setting, finances, record keeping, career development, work place ethics, and leadership. Students shall accumulate a total of 10 hours toward their SAE program through this course. See Mrs. Wirkus for details.

Driver's Education

Grades Eligible: 8-10

June 10th through June 28th

8:00 – 10:11

Students who are 14 years old by Jan. 1st of this year can take the classroom portion of driver's education. There is no cost for this class. The behind the wheel portion is done during the school year. Students who have successfully completed the classroom part of driver's education can take the behind the wheel part with the oldest students going first. There is a fee for the behind the wheel training that will be determined by the school board.

Fall Musical**8:00 – 10:11****Grades Eligible: 9-11****(For students with roles in the 2018 fall musical)**

This course gives students an opportunity to prepare music, lines and blocking as well as costuming and set design for the fall musical. A short performance will be given the last day of the class.

Wrestling Camp July 8-11, 9:00-11:30 for any student Pre-K - 5th grade, 9:00-noon for any student grades 6-12

We will teach basic introductory skills to those beginning the sport keeping it fun while still learning. For those with experience, more advance technique will be taught as well as daily "live wrestling" sessions for kids to both measure and improve their skills. We will cover new offensive takedowns as well as pinning combinations and bottom moves.

Show Choir Camp**Grade Levels: 9-12**

(For student members of the 2019-2020 Show Choir)

Description: Camp dates would run a week M-F from 1:00 to 5:00pm. (The week of July 29– August 2, 2019 is currently being considered.) Friday's camp will culminate with a short performance for parents and friends.

Throughout the week, students will enjoy rehearsing music (sectionals, men, women) – including choreography, workshop with clinician, team-building activities, picnic, photo session, finalize dress selection & order shoes, trip update, and performance for family & friends.
